

We Took All The Pain ..Out of Dental Work..

You don't want to get hurt. No one wants to get hurt when having their teeth fixed, and we don't blame them either. Why should you submit to old and ancient methods in getting dental work done any more than you would illuminate your homes with the old fashioned candles that were considered first-class lighting systems 59 years ago. You would not think of driving to town behind a yoke of oxen, would you now? Then why allow ANY DENTIST to hurt you when SO MANY of your neighbors can tell you of OUR OWN PAINLESS SYSTEM OF DOING DENTAL WORK of any kind. DON'T YOU STAND FOR IT! Demand real PAINLESS work, and by the way demand a WRITTEN GUARANTEE with all your work. You are ENTITLED to it. We KNOW HOW to do this. It is OUR BUSINESS TO KNOW THIS.

Besides, we can do your work in a SPEEDY MANNER. Take the train in the MORNING and we will have your dental work done in time to GET YOUR EVENING TRAIN HOME THE SAME DAY. It makes no difference how complicated your dental job is, we employ an office staff of Five, always ready FOR YOU. WRITE us a few days before you come if you possibly can do this so we will have sufficient time for you on the day you come. If you CANNOT write AHEAD, come ANYWAY and we will arrange for you. Our prices are the REAL and only CUT RATES in this county.

We will make you a FULL SINGLE set of teeth from \$5.00, upward, FULLY GUARANTEED. Silver fillings cost you 50c up. Pure Gold fillings, \$1 up, according to size. Solid 22 Karat Gold Crowns, \$4 and \$5. Bridge Work, \$4 & \$5. Porcelain Crowns \$3 to \$5.

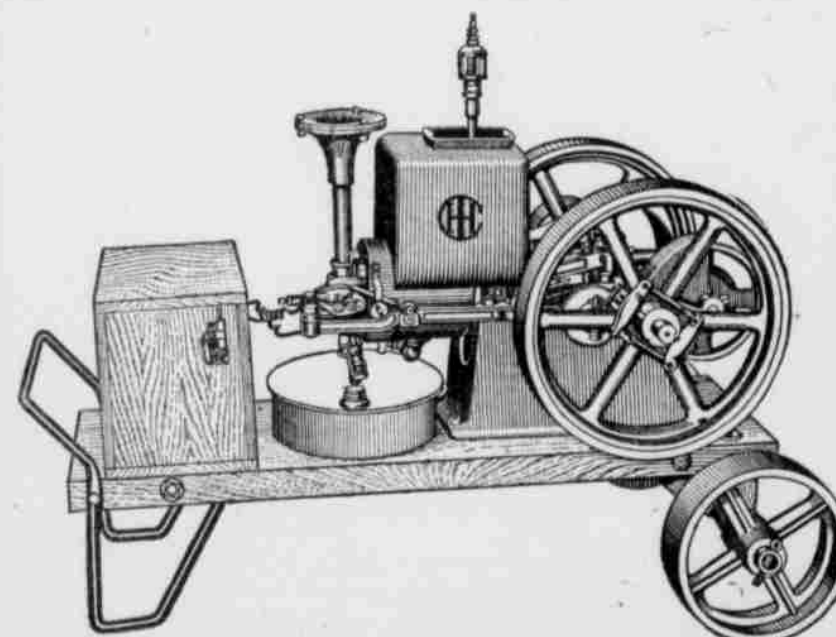

Please remember all this is guaranteed for you in WRITING. Ask your neighbors about us. HUNDREDS of them come to us every year. WE ALSO PAY YOUR R. FARE TO COME TO OUR OFFICES IF YOUR DENTAL WORK AMOUNTS TO OVER \$10.

Stop that Dental Work with the HURT in. Stop your HIGH PRICES and come to

HERE AND THERE.

Sixty-seven students will graduate from the Port Huron high school the coming June.

St. Clair will soon see the erection of a five story building, to be used as a packing house.

Little Brothers, of Almont, have purchased the grocery business of Wilson Kirtland, at Imlay City.

The recent Sunday's heavy wind-storm did a good deal of damage again to property along the shore.

Mrs. Horace Lamb, an old resident of Imlay City, died last week of pneumonia, just a week after her husband's death.

Charles Snowden, of Sandusky, was fined \$10.00 on complaint of the county treasurer, for refusal and neglect to send his children to school.

Benjamin F. Johnston, a prominent citizen of Almont, and a veteran of the Civil war, died at his home March 1st, at the age of eighty-five years.

The ministers of Sandusky are contributing articles to the Sanilac County Farmer, by request of its editor, which will be conducive of good to the readers of the paper.

The State bank of Sandusky has begun the erection of a new and modern home. This bank began operations thirty years ago as a private institution.

The physicians of St. Clair city will give their services free in the examination of every pupil in the local schools. In order to place every student on an equal footing with each, it has been thought advisable to follow the foregoing plan, which is certainly a wise one and should be carried out in all schools.

Capac business men have just got their eyes open to the fact that if they don't hustle some, the Paper Mill will become a loss for them and a gain for Imlay City, and all on account of a bad three mile road between Capac and the mill. Many times have the citizens been asked to improve this highway but everybody played Rip Van Winkle, until a good hard scare made them sit up and take notice and then they got to work and that road will be fixed to the Queen's taste in short order and Imlay City may go way back and sit down.
